PART II: COMMENCEMENT, EFFECT, AND DURATION OF ARRANGEMENT

3 Commencement of Arrangement

3 The Arrangement shall come into effect upon the approval thereof by the Creditors pursuant to the provisions of the Act and Rules.

4 Nature and effect of the Arrangement

4(1) [Nature of Arrangement] The Arrangement is a proposal under Part I of the Act for a scheme of arrangement of the Company's affairs or a composition in full and final satisfaction of the Company's Debts.

4(2) [Claims against third parties] Unless the Proposal indicates to the contrary, nothing in the Arrangement shall be construed as effecting a composition or satisfaction of any Debt owed by a person other than the Company, whether that Debt is owed jointly by the Company or otherwise.

4(3) [Restriction on Creditors' rights] After the commencement of the Arrangement, no Creditor shall, in respect of any Debt which is subject to the Arrangement:

- (b) the right of the Supervisor to present a winding-up petition under section 7(4)(b) of the Act for default in connection with the Arrangement

5 Existing proceedings against Company

5(1) [Discontinuance of existing proceedings] Legal proceedings against the Company in existence at the commencement of the Arrangement in respect of Debts which are subject to the Arrangement shall, unless they are of a type contemplated by Paragraph 4(5) or the Supervisor otherwise directs, be discontinued by the Creditor with no order as to costs as soon after the commencement of the Arrangement as is practicable.

5(2) [Waiver of Company's costs entitlement on discontinuance] The Company confirms that no costs entitlement arising as a result of the discontinuance of any legal action in accordance with Sub-paragraph (1) will be enforced and the Company waives any such rights.

5(3) [Costs of existing proceedings] Legal costs of a Creditor in proceedings other than winding-up referred to in Sub-paragraph (1) shall be a Debt falling within the Arrangement.

5(4) [Costs of winding-up proceedings] Petition costs of a Creditor who presented a winding-up petition against the Company prior to the commencement of the Arrangement shall be treated as an expense of the Arrangement to rank after the costs of the Nominee but before those of the Supervisor.

6 Existing execution against Company's assets

6(1) [Partly-completed execution] A Creditor who, before the commencement of the Arrangement, has issued execution against the property of the Company in respect of a Debt which is subject to the Arrangement, or has attached a Debt due to the Company from another person in respect of such a Debt shall, unless the execution or attachment was completed before the commencement of the Arrangement, discontinue the execution or attachment as soon after the commencement of the Arrangement as is practicable.

14 Supervisor's powers after expiry, full implementation or termination

14(1) [Exercise of powers] The expiry, full implementation or termination of the Arrangement shall not affect the Supervisor's power to carry out such functions and to exercise such powers as are necessary for the Supervisor to fully carry out the duties, obligations and responsibilities of the Supervisor under the Arrangement, Act and Rules and to resolve such matters as may have arisen during the course of the Arrangement. This includes, but is not limited to, any duties, obligations and responsibilities in respect of assets held by the Supervisor on trust.

14(2) [Retention of funds by Supervisor] Upon the expiry, full implementation or termination of the Arrangement, the Supervisor shall be entitled to retain, for such period as is reasonably necessary and from any funds under the Supervisor's control, such monies as the Supervisor reasonably thinks fit on account of fees, costs, charges, liabilities and expenses, and the Supervisor shall advise Creditors and the Company in writing of the quantum of the funds so retained and the reasons why.

17(1) [Amount of fees] The Supervisor shall be entitled to charge fees for services in accordance with the time actually and reasonably expended by the Supervisor and the

24(3) [Notice of after-acquired assets and increased income] Where at any time during the subsistence of the Arrangement any After-Acquired Assets of a description falling within Paragraph 28 are acquired by or devolve upon the Company, or there is an increase in the Company's profits if the Company is under an obligation to make contributions out of profit, the Company shall forthwith give the Supervisor notice of the property or, as the case may be, of the increase.

25 Further Documents

25 Without prejudice to the generality of the Company's other duties under the Arrangement, the Company or its Directors shall, at the request of the Supervisor, execute such Mortgages, Charges, Deeds, Transfers, Trusts, Powers of Attorney or other documents as may reasonably be required by the Supervisor for the protection and/or realisation of assets, to secure the Company's compliance with the Company's obligations under the Arrangement, or otherwise to facilitate the implementation of the Arrangement.

26 Company's acknowledgement

26(1) [Agreement to be bound] The Directors of the Company undertake to carry out the obligations imposed upon the Company under the Arrangement in full and at the times provided for.

26(2)[Consequences of breach] The Directors of the Company acknowledge that the likely consequence of failure to comply with the Company's obligations hereunder in full and at the times provided for is that the Arrangement will fail and the Company will be wound up on a petition presented by the Supervisor.

26(3) [Section 6A] Each of the Directors of the Company acknowledge that they commit an offence if any false representation is made or any other fraud is committed for the purpose of obtaining the approval of Shareholders or Creditors to the Arrangement.

PART V: ARRANGEMENT ASSETS

27 Arrangement assets

27 Property other than Excluded Assets belonging to or vested in the Company at the date of commencement of the Arrangement which would form part of the Company's estate in a winding-up shall be subject to the Arrangement and be an asset thereof.

28 After-acquired assets

28(1)[After-acquired property subject to Arrangement] The Supervisor may claim as an asset of the Arrangement any Property acquired by the Company between the commencement date of the Arrangement and the date of its full implementation and/or termination which would have been an asset of the Arrangement if it had belonged to or was vested in the Company at the date of commencement of the Arrangement ("After-Acquired Assets"). Any such asset shall be subject to the Arrangement and be an asset thereof.

28(2)[Proviso for excess assets] After-Acquired Assets shall only be sold or realised to the extent necessary to repay the Creditors in full together with interest, if any, to which Creditors are entitled pursuant to the Arrangement.

29 Trust of Arrangement assets

29(1) [Assets in the possession of the Company] Property constituting an asset of the Arrangement in the possession, custody or control of the Company shall be held by the Company upon trust for the purposes of the Arrangement during the Trust Realisation Period in accordance with the Arrangement.

29(2) [Assets in the possession of the Supervisor] Property constituting an asset of the Arrangement in the possession, custody or control of the Supervisor shall be held by the Supervisor upon trust for the purposes of the Arrangement.

29(3) [Actions during the Trust Realisation Period] The Supervisor will get in and realise assets which are subject to the trust and which are capable of being realised during the Trust Realisation Period.

29(4) [Effect of expiry or termination] The trusts referred to in Sub-paragraphs (1) and (2) shall not come to an end upon expiry or termination of the Arrangement but such assets as are contained within the trust shall be dealt with in accordance with Paragraph 29(3) above. At the expiry of the Trust Realisation Period, the trust shall come to an end.

29(5) [Effect of full implementation] Upon the issuing of a Certificate of full implementation under Paragraph 9, the trusts referred to in Sub-paragraphs (1) and (2) shall not come to an end but such assets as are contained within the trust shall be dealt with in accordance with Paragraph 29(3). At expiry of the Trust Realisation Period, the trust shall come to an end.

29(6) [Effect of winding-up] In the event that a Winding-up Order is made against the Company, any assets got in and realised by the Supervisor prior to the making of that Order shall be applied and distributed in accordance with the terms of the Arrangement and the trust shall terminate solely in respect of assets of the Company not yet realised.

30 Restriction on dispositions

30(1) Save in the ordinary course of business, the Company shall not sell, charge or otherwise dispose of any interest in any asset subject to the Arrangement without the Supervisor's written consent, such consent ought not to be unreasonably refused.

30(2) The Company hereby consents, agrees to procure that any co-owner also consents, and hereby requests the Chief Land Registrar to register a restriction on the Proprietorship Register of any registered land which is subject to the Arrangement in the following form: "No disposition of the registered estate by the proprietor of the registered estate or by the proprietor of any registered charge is to be registered without a written consent signed by [*name of Supervisor*] of [*address*] (or the Supervisor's conveyancer)."

PART VI: PROOFS OF DEBT

31 Notice to submit Proofs

31 As soon as practicable after the commencement of the Arrangement, and provided no application under Section 6 of the Act (challenge of decisions) or an appeal under Rule 15.35 (appeals against decisions) is pending, the Supervisor shall send a notice (“a Notice to Submit Proofs”) to every Creditor and other person to whom the Company may be indebted of whom the Supervisor has notice requiring them to provide such details of their Debts as the Supervisor thinks fit.

32 Submission of Proofs

32 Creditors shall submit their Proofs in writing to the Supervisor in the form, if any, required by the Supervisor, or one which is substantially similar.

33 Withdrawal and variation of Proofs

33(1) [Withdrawal by written notice] A Creditor may withdraw a Proof at any time by delivering a written notice to the Supervisor.

33(2) [Variation of amount by agreement] The amount claimed by a Creditor’s Proof may be varied at any time by agreement between the Creditor and the Supervisor.

34 Production of documents

34 The Supervisor may call for any document or other evidence to be produced for the purpose of substantiating the whole or any part of the Proof.

35 Witness statement substantiating Proof

35 The Supervisor may require a Proof to be verified by witness statement with a statement of truth.

36 Supervisor to allow inspection of Proofs

36 The Supervisor shall, so long as Proofs are in the Supervisor’s possession, allow them to be inspected, at all reasonable times on any business day, by:

- (a) any Creditor who has delivered a Proof (unless the Proof has been wholly rejected for the purposes of Dividend, or otherwise); and
- (b) a person acting on behalf of any such Creditor.

37 Admission and rejection of Proofs for Dividend

37(1) [Admission] The Supervisor may admit or reject a Proof for Dividend in whole or in part.

37(2) [Rejection] If the Supervisor rejects a Proof in whole or in part, the Supervisor must deliver to the Creditor a written statement of reasons for so doing, as soon as reasonably practicable.

38 Appeal against decision on Proof

38(1) [Application by Creditor] If a Creditor is dissatisfied with the Supervisor’s decision with respect to the Creditor’s own Proof (including a decision whether the Debt is preferential), the Creditor may apply to the Court, within 21 days (or such longer period as the Court shall, in the special circumstances, allow) of receiving the statement sent under either Paragraph 37(2) or Paragraph 39(2), for the decision to be reversed or varied.

38(2) [Application by other parties] The Company or any other Creditor may, if dissatisfied with the Supervisor's decision admitting or rejecting the whole or any part of a Proof or agreeing to revalue a Creditor's security, make such an application within 21 days (or such longer period as the Court shall, in the special circumstances, allow) of becoming aware of the Supervisor's decision.

38(3) [Costs of appeal] The Supervisor is not personally liable for the costs incurred by any person in respect of an appeal under this Paragraph unless the Court so orders.

39 Debts of uncertain and small value

39(1) [Estimation of Debt or liability] The Supervisor shall estimate the value of any Debt which, by reason of its being subject to a contingency or for any other reason, does not bear a certain value.

39(2) [Notification to Creditor] The Supervisor shall notify the Creditor in writing of any such estimate. If the Creditor is dissatisfied with the Supervisor's decision the Creditor may exercise the right of appeal under Paragraph 38.

39(3) [Claim of Debts of uncertain value] Where the value of any Debt is estimated by the Supervisor under Sub-paragraph (1), the amount provable in the Arrangement shall be the amount of the estimate.

39(4) [Small Debts] Any Creditor whose Debt does not exceed £1,000 need not (unless so required by the Supervisor) submit a Proof to the Supervisor and the Supervisor may admit such Debt and pay a Dividend accordingly.

40 Secured Creditors

40(1) [Proving for balance of Debt] A Secured Creditor may submit a Proof for the balance of Debt (if any) after deducting the value of that Creditor's Security.

40(2) [Voluntary surrender of Security] If a Secured Creditor voluntarily surrenders its Security for the general benefit of the Creditors, that Creditor may submit a Proof for the whole Debt as if it were unsecured.

40(3) [Altering value of Security] A Secured Creditor may, with the agreement of the Supervisor or the permission of the Court, at any time alter the value put upon that Creditor's Security in a Proof.

40(4) [Test of Security's value] If the Supervisor is dissatisfied with the value which a Secured Creditor puts on a Security in the Creditor's Proof, the Supervisor may require any property comprised in the Security to be professionally valued by a person agreed as between the Creditor and the Supervisor, or in default of such agreement by the Court.

40(5) [Professional valuation treated as amended valuation] Where a professional valuation has been carried out under the previous Sub-paragraph, that valuation shall be treated as an amended valuation of the Creditor.

40(6) [Realisation of Security] If a Creditor who has valued Security subsequently realises it:

- (a) the Creditor shall forthwith notify the Supervisor and shall give the Supervisor such information relating thereto as the Supervisor may reasonably require;
- (b) the net amount realised shall be substituted for the value previously put by the Creditor on the Security, and
- (c) that amount shall be treated in all respects as the Creditor's amended valuation.

41 Foreign currency Debts

41 [Conversion into sterling] For the purpose of proving for a Debt incurred or payable in a currency other than sterling, the amount of the Debt shall be converted into sterling at a single rate for each currency determined by the Supervisor by reference to the exchange rate prevailing at the date of commencement of the Arrangement.

42 Interest on Debts

42 Where a Debt bears interest, that interest is provable as part of the Debt except in so far as it is payable in respect of any period after the commencement of the Arrangement.

43 Cost of submitting Proofs

43(1) [Creditor bears cost of submitting Proof] Every Creditor bears the cost of submitting that Creditor's own Proof, including costs incurred in providing any document or evidence to the Supervisor.

43(2) [Supervisor's costs] Costs incurred by the Supervisor in estimating the value of a Debt of uncertain value shall be an expense of the Arrangement.

PART VII CREDITORS WHO DO NOT HAVE NOTICE

44 Proof arising where funds available

44 If, at the time the Proof is notified to the Supervisor, the Arrangement is continuing and the Supervisor is holding sufficient funds to pay a Dividend to such Creditor or Creditors, then the Supervisor will (subject to agreement of the Proof) forthwith pay to the Creditor a Dividend of an amount which is on the same basis as the Dividends already paid. Such payments will be made before any further payments to any other Creditors and will be paid so as to bring about an equalisation in Dividends between Creditors who fall within section 5(2)(b)(i) of the Act on the one hand and section 5(2)(b)(ii) of the Act on the other hand.

45 Proof arising where no funds available

45 If a Proof is notified to the Supervisor at a time when the Supervisor is holding no funds available for payment of a Dividend, then as and when any funds are received the Supervisor will (subject to agreement of the Proof) out of such funds first make such payment to such Creditors so as to bring about an equalisation as aforesaid.

46 Effect of Proof on Company

46(1)[Proof not to constitute default] The notification to the Supervisor of any such Proof shall not constitute an act of default unless the failure to give notice to such Creditor was a deliberate act on the part of the Directors.

46(2)[Obligation to provide further funds] Unless the Proposal otherwise provides, there shall be no obligation upon the Company to pay to the Supervisor any further sums of money or make any further assets available (other than already provided for in the Proposal) so as to meet the Proof falling to be dealt with under section 5(2)(b)(ii) of the Act unless the Proposal as agreed provides for a minimum Dividend to be paid to Creditors.

47 Notification of Proof to Creditors

47 On receipt of any such Proof, the Supervisor will notify all Creditors bound of such receipt, the name of the Creditor, the amount of the Proof and will provide such other information as may be relevant, including particulars as to the Directors' explanation why the Creditor was not given notice and the impact which such Proof is likely to have on the outcome of the Arrangement. Such notification may, if the Supervisor considers it appropriate, be included in the progress report to Creditors, provided that such report is due to be circulated within a period of three months from the date on which the Proof is notified. Where, in the opinion of the Supervisor, the Proof, whether taken alone or in conjunction

with other such Proofs, will not materially reduce the amount of the estimated Dividend, the Supervisor may defer notification and include it in the next progress report.

48 Proof arising after Arrangement ceases to have effect

48 If the Proof is notified to the Supervisor after the date on which the Arrangement ceases to have effect, then the Creditor shall be entitled to rely upon section 5(2A) of the Act and shall be entitled to recover from the Company such sum as the Creditor would have received had the Proof been notified to the Supervisor prior to the date on which the Arrangement ceased to have effect and the Supervisor had been able to include the Proof in the Arrangement for the purpose of payment of Dividends or distributions. The Supervisor shall be under no obligation to agree any such Proof, or take any action in respect thereof, other than to furnish the Creditor who relies on section 5(2A) of the Act with a certificate as to the Dividend or distribution the Creditor would have received had the Proof been included in the Arrangement for Dividend or distribution purposes and on the assumption that the Proof would have been agreed in the sum claimed.

PART VIII: PAYMENT OF DIVIDENDS

49 Distribution by Dividend

49(1)[Duty to declare and distribute Dividends] At the time or times specified in the Proposal or, if none, whenever the Supervisor has sufficient funds in hand for the purpose, the Supervisor shall, subject to the retention of such sums as may be necessary for payment of the expenses of the Arrangement, declare and distribute Dividends among the Creditors in respect of the Debts which they have proved.

49(2)[Calculation and distribution of Dividend] In the calculation and distribution of a Dividend the Supervisor shall make provision:

- (a) for any Debts which are the subject of Proofs which have not yet been determined; and
- (b) for any disputed Debts.

50 Notice of intended Dividend

50(1)[Notice to Creditors who have not proved] No more than three months before declaring a Dividend to non-preferential Creditors, the Supervisor shall give notice of the intention to do so to all such Creditors whose addresses are known to the Supervisor and who have not proved.

50(2)[Last date for submitting proofs] Any notice sent out to Creditors under Sub-paragraph (1) shall specify a date ("the Last Date for Submitting Proofs") up to which a Proof may be delivered. The Last Date for Submitting Proofs shall be the same for all Creditors and not less than 21 days from the date of the notice.

51 Notice of declaration

51(1)[Notice to Creditors who have proved] The Supervisor shall give notice of the Dividend to all Creditors who have proved for their Debts.

51(2)[Particulars in notice] The notice shall include the following particulars:

- (a) amounts realised from the sale of assets subject to the Arrangement, indicating (so far as practicable) amounts realised by the sale of particular assets and/or amounts paid by the Company to the Supervisor under the Arrangement;
- (b) payments made by the Supervisor during the course of the Arrangement;
- (c) provision (if any) made for unsettled claims and funds (if any) retained for particular purposes;

- (d) the total amount to be distributed and the rate of Dividend;
- (e) whether, and if so when, any further Dividend is expected to be declared.

51(3)[Simultaneous distribution] The Dividend may be distributed simultaneously with the notice declaring it.

51(4)[Method of payment] Payment of Dividend may be made by post, or arrangements may be made with any Creditor for it to be paid in another way, or held for collection.

51(5)[Endorsement in negotiable instrument] Where a Dividend is paid on a bill of exchange or other negotiable instrument, the amount of the Dividend shall be endorsed on the instrument, or on a certified copy of it, if required to be produced by the holder for that purpose.

52 Proof altered after payment of Dividend

52(1)[Amount claimed increased] If, after payment of the Dividend, the amount proved for by a Creditor is increased, the Creditor is not entitled to disturb the distribution of the Dividend; but is entitled to be paid, out of any money for the time being available for the payment of any further Dividend, any Dividend or Dividends which the Creditor has failed to receive before that money is applied to the payment of any such further Dividend.

52(2)[Proof withdrawn, disallowed, reduced] If, after a Creditor's Proof has been admitted, the Proof is withdrawn or disallowed, or the amount of it is reduced, the Creditor shall repay to the Supervisor any amount overpaid by way of Dividend.

53 Secured Creditors

53(1)[Application of Paragraph] The following applies where a Creditor re-values Security at a time when a Dividend has been declared.

53(2)[Reduction in unsecured claim] If the re-valuation results in a reduction of the Creditor's unsecured claim ranking for Dividend, the Creditor shall, as soon as practicable, repay to the Supervisor any amount received as Dividend in excess of that to which the Creditor would be entitled having regard to the re-valuation of the Security.

53(3)[Increase of unsecured claim] If the re-valuation results in an increase of the Creditor's unsecured claim, the Creditor is entitled to receive from the Supervisor, out of any money for the time being available for the payment of a further Dividend, before any such Dividend is paid, any Dividend or Dividends which the Creditor has failed to receive, having regard to the re-valuation of the Security. However, the Creditor is not entitled to disturb any Dividend declared (whether or not distributed) before the date of the revaluation.

54 Assignment of Debts or rights to Dividend

54(1)[Notice of assignment] If a Creditor entitled to a Dividend gives notice to the Supervisor that the Creditor wishes the Dividend to be paid to another person, or that the Creditor has assigned its entitlement or Debt to another person, the Supervisor shall pay the Dividend to that other person accordingly.

54(2)[Contents of notice] A notice given under this Paragraph must specify the name and address of the person to whom payment is to be made.

55 Debts payable at future time

55(1) [Debts payable at a future time] A Creditor may prove for a Debt of which payment was not yet due at the date of commencement of the Arrangement.

55(2) [Entitlement to Dividend] Where a Creditor has claimed for a Debt of which payment is not due at the date of the declaration of Dividend, the Creditor is entitled to the Dividend equally with other Creditors, but subject as follows.

55(3) [Calculation of amount of reduction] For the purpose of Dividend (and no other purpose), the amount of the Creditor's admitted Proof (or, if a distribution has previously

been made to the Creditor, the amount remaining outstanding in respect of the Creditor's admitted claim) must be discounted by applying the following formula:

$$\frac{X}{1.05^n}$$

where X is the value of the admitted Proof; and 'n' is the period beginning with the relevant date and ending with the date on which the payment of the Creditor's Debt would otherwise be due, expressed in years.

56 Debts of unpaid Creditors

56(1)[Creditors not entitled to Dividend] Creditors who do not prove in the Arrangement (with the exception of any Debts admitted by the Supervisor under Paragraph 39(4)) shall not be entitled to receive any Dividend.

56(2)[Unclaimed Dividends paid to the Company] Dividends due to Creditors who have proved in the Arrangement but to whom the Supervisor has been unable to pay shall, at the end of the Arrangement, be paid to the Company or, if there is one, the Company's liquidator or administrator.

56(3)[Company liable for unclaimed Dividends] Once a Dividend has been paid to the Company or the Company's liquidator or administrator under the previous Sub-paragraph, the Creditor must claim it from the Company or, as the case may be, the Company's liquidator or administrator and no other person.

PART IX: PRIORITY OF PAYMENTS AND DISTRIBUTIONS

57 Costs and Expenses of the Arrangement

57(1)[Expenses to be paid first] Subject to Paragraphs 5(4) and 72 the fees, costs, charges, expenses and liabilities properly charged or incurred by or on behalf of the Nominee or the Supervisor are expenses of the Arrangement and shall be paid in priority to all other charges, expenses, liabilities and Debts other than Moratorium-related Debts.

57(2)[Charge in relation to expenses] The Supervisor shall have a charge on the assets subject to the Arrangement in respect of the expenses of the Arrangement.

58 Priority of Debts and application of surplus

58(1)[Priority of Debts] In the distribution of sums due to be paid to Creditors under the terms of the Arrangement, the Debts shall be paid in the following order of priority: (i) Moratorium-related Debts; (ii) Preferential Debts; (iii) and then other Debts.

58(2)[Ranking of Moratorium-related Debts] In the event that a Moratorium had been in force at any time in the period of 12 weeks prior to the date that the Nominee's report under Section 2(2) of the Act was submitted to the court, the Moratorium-related Debts shall be paid in the order of priority as set out in Paragraph 42 of Schedule 4 of the Corporate Insolvency and Governance Act 2020. If the sums due to be paid to Creditors are insufficient to meet in full the Debts listed in any of the subsections of Paragraph 42(1) of Schedule 4 of the Corporate Insolvency and Governance Act 2020, the Debts in that subsection shall abate in equal proportions.

58(3)[Ranking of Preferential Debts] Ordinary Preferential Debts rank equally between themselves after the expenses of the Arrangement and shall be paid in full unless the sums due to be paid to Creditors are insufficient to meet them, in which case they abate in equal proportions. Secondary Preferential Debts rank equally between themselves after the

ordinary Preferential Debts and shall be paid in full unless the sums due to be paid to Creditors are insufficient to meet them, in which case they abate in equal proportions.

58(4)[Ranking of Ordinary Debts] Debts other than Preferential Debts rank equally between themselves and, after the Preferential Debts, shall be paid in full unless the sums due to be paid to Creditors are insufficient for meeting them, in which case they abate in equal proportions between themselves.

58(5)[Surplus after payment] Any surplus remaining after the payment of the Preferential and other Debts shall first be applied in paying interest on those Debts in respect of the periods during which they have been outstanding since the commencement of the Arrangement (for this purpose interest on Preferential Debts ranks equally with interest on Debts other than Preferential Debts) and thereafter returned to the Company.

58(6)[Interest rate on surplus] The rate of interest payable under Sub-paragraph (4) in respect of any Debt is whichever is the greater of the following:

- (a) the rate specified in section 17 of the Judgments Act 1838 at the commencement of the Arrangement; and
- (b) the rate applicable to that Debt apart from the Arrangement.

PART X: THE CREDITORS' COMMITTEE, WEBSITES & CREDITOR DECISIONS

59 The Creditors' Committee

59(1)[Establishment] In the event that the Nominee has invited creditors to form a committee or the Creditors have so decided, the following provisions will apply; Creditors may establish a committee ("the Creditors' Committee"), consisting of not less than 3 and not more than 5 members to represent the interests of the Creditors and to provide such assistance and guidance to the Supervisor as may reasonably be required. The Nominee may invite Creditors to form a committee at the same time the Creditors' approval for the Proposal is sought.

59(2)[Eligibility] All the members of the Creditors' Committee must be Creditors of the Company; and any Creditor (other than one who is fully secured) may be a member, so long as:

- (a) the Creditor has delivered a Proof, and
- (b) the Creditor's Proof has neither been wholly disallowed for voting purposes, nor wholly rejected for the purposes of distribution or Dividend.

59(3)[Application of the Rules] The provisions relating to the Creditors' Committee in Rules 17.1 to 17.29 shall apply to the Arrangement with any necessary modifications.

59(4)[Expenses of members] The reasonable travelling expenses directly incurred by any member of the Creditors' Committee or their representatives in respect of their attendance at the meetings of the Creditors' Committee, or otherwise on the Creditors' Committee's business, shall rank as an expense of the Arrangement.

60 Use of websites

60(1) [Use of websites] Where the Supervisor is required to give, deliver, furnish or send a notice or other document or information to any person, that requirement may be satisfied by making the notice, document or information available on a website.

60(2) [Application of the Rules] The provisions of Rules 1.49-1.51 relating to use of websites shall apply to the Arrangement with any necessary modifications.

61 Power to seek a decision of Creditors

61(1) [Supervisor's power to seek a decision] The Supervisor may seek a decision of Creditors for any purpose connected with the Arrangement.

61(2) [Choice of Decision Procedure] A decision of Creditors may be made by any Decision Procedure provided for in Rule 15.3 (the prescribed decision procedures) except that it may not be made by physical meeting unless Sub-paragraph (3) applies.

61(3) [Power to require physical meeting] If 10% in value, or 10% in number or 10 of the Creditors request in writing that a decision of Creditors, which has been proposed by means of a Decision Procedure, be taken at a physical meeting, the Supervisor shall, unless relieved by the Court from so doing, convene such a meeting within 21 days from the receipt of such request.

61(4) [Power to requisition a decision] If 25% in value of the Creditors request in writing that a decision of Creditors be sought, the Supervisor shall, unless relieved by the Court from so doing, initiate a Decision Procedure within 21 days from the receipt of such request. This is subject to any deposit for costs required under Paragraph 63 having been paid.

61(5) [Content of notice requisitioning a decision] A notice served upon the Supervisor under Sub-paragraph (4) shall state the decision of Creditors for which the Decision Procedure is requested.

61(6) [Company request] If the Company requests in writing that the Supervisor seek a decision of Creditors the Supervisor shall not unreasonably refuse such a request. If the Supervisor considers the request to be reasonable the Supervisor shall convene such Decision Procedure as he considers appropriate to consider the decision.

62 Procedure for seeking Creditor decisions

62(1) [Notice of a decision procedure] Notice of a Decision Procedure shall be given by the convenor to every Creditor whose address is known to the convenor or identified in the Proposal at least 14 days before the Decision Date, or such shorter period as the Court may allow.

62(2) [Contents of notice and procedure] The notice and procedure shall follow, so far as applicable, the requirements of Rules 15.4 (electronic voting), 15.5 (virtual meetings), 15.6 (physical meetings) and 15.8 (notices to creditors of decision procedure).

62(3) [Convenience of participants] The convenor must have regard to the convenience of those invited to participate when making arrangements for a Decision Procedure.

62(4) [Time of meeting] Meetings of Creditors shall be convened for commencement between the hours of 10.00 and 16.00 on a business day.

62(5) [Chair of meeting] Unless Paragraph 21(3) (chair where no Supervisor acting) applies, the Supervisor, or a person experienced in insolvency matters and nominated by the Supervisor, shall be chair of the meeting.

62(6) [Non-receipt of notice] Where a decision is sought by a notice in accordance with Sub-paragraph (1), the Decision Procedure is presumed to have been duly initiated and conducted, even if not everyone to whom the notice is to be delivered has received it.

62(7) [Exclusions from meetings] The provisions of Rules 15.36-15.38 relating to persons excluded from meetings shall apply to the Arrangement with any necessary modifications.

63 Cost of requisitioned decisions

63(1)[Security for payment of expenses] Subject to Sub-paragraph (3) below, the cost of requisitioning a decision of Creditors at the instance of the Company or Creditors shall be paid by that person or persons, who shall deposit security for their payment with the Supervisor.

63(2)[Appropriate security] The sum to be deposited shall be such as the Supervisor determines to be appropriate; and the Supervisor shall be under no obligation to act without the deposit having been paid.

63(3)[Vote for cost to be an expense of Arrangement] Where a Decision Procedure is requisitioned, the Creditors may vote that the expenses of convening and taking it shall rank as an expense of the Arrangement.

63(4)[Repayment of deposit] To the extent that any deposit made under this Paragraph is not required for the payment of expenses of convening and taking the Decision Procedure, it shall be repaid to the person who made it.

64 Participation in Creditor decisions

64(1)[Conditions for voting] Subject as follows, in order to be counted in a Decision Procedure other than where votes are cast at a meeting, votes must:

- (a) be received by the convenor on or before the Decision Date; and
- (b) accompanied by a Proof in respect of the Creditor's claim, unless it has already been provided to the convenor.

64(2)[Unliquidated and unascertained claims] A Debt for an unliquidated or unascertained amount is to be valued at £1 for the purpose of voting unless the convenor, or in the case of a meeting the chair, decides to put a higher value on it.

64(3)[Secured Creditors] A Secured Creditor is entitled to vote only in respect of the balance (if any) of Debt after deducting the value of Security as estimated by the Secured Creditor.

64(4) [Vote cast not changeable] A vote cast in a Decision Procedure which is not a meeting may not be changed.

64(5) [Decision to be made] For the decision to be made, the convenor must receive at least one valid vote on or before the Decision Date.

65 Admission and rejection of Proofs

65(1)[Power to admit] The convenor, or chair in the case of a meeting, has the power to admit or reject a Creditor's Proof for the purpose of entitlement to vote. The power is exercisable with respect to the whole or any part of the Proof, and whether the claim is secured or unsecured.

65(2)[Appeal from decision] The convenor or chair's decision on entitlement to participate is subject to appeal to the Court by any Creditor, or by the Company, within 28 days of the record of the decision being given, or such longer period as the Court shall, in the special circumstances, allow.

65(3)[Voting subject to objection] If the convenor or chair is in doubt whether a Proof should be admitted or rejected, it shall be marked as objected to and the Creditor shall be allowed to vote, subject to the vote being subsequently declared invalid if the objection to the claim is sustained.

65(4)[Where decision reversed] If, on an appeal, the convenor or chair's decision is reversed or varied, or a Creditor's vote is declared invalid, the Court may order another Decision Procedure to be convened, or make such other order as it thinks fit, provided that the Court considers the matter is such as to give rise to unfair prejudice or a material irregularity.

65(5)[Costs of appeal] The convenor or chair is not personally liable for the costs incurred by any person in respect of an appeal under this Paragraph unless the Court so orders.

66 Majorities required for Creditor decisions

66(1)[Decisions by majority in value] Subject as follows, a decision in a Decision Procedure is made when a majority of more than half in value of Creditors voting have voted in favour of it.

66(2)[Decisions varying terms of Arrangement] In the case of a decision varying the terms of the Arrangement, a majority of three-quarters or more in value of Creditors voting in favour of it is required.

66(3)[Votes rendering decision invalid] A decision is not made if those voting against it include more than half of the total value of Creditors who are not Connected with the Company.

71 Procedure following breach
